CONNECTING PASTORS WITH PROFESSIONAL COUNSELORS

## PROFESSIONAL COUNSELING RESOURCES FOR THE FAITH COMMUNITY

### AGENDA

12:00—Hosted Lunch

12:30—Panel Presentation and Discussion

1:30—Meet and Greet

*Join us* for a hosted lunch to mix and mingle with Pastors and Professional Counselors in the Treasure Valley. Increase your network, make meaningful connections, and learn about the partnerships with leaders in faith and Professional Counselors in the community. Leave with a directory of referrals and relationships to continue to foster.

- ⇒ One of the most frustrating things Pastors encounter is the desire to help someone but the inability to do so because of limited access to a network of qualified Professionals
- ⇒ There are limited environments to connect with Counselors. The connection is important because it creates trust.
- ⇒ Our dream is to cultivate connections with an event that allows Professional Counselors to gather with Pastors
